## *Your Project, Our Role...*

The G.A.R. Post 18 contacted the Preservation Collaborative to provide them with initial documentation for future development into housing. Memorial Hall was built as the Samuel Dexter House in 1790, and was reconfigured to present condition in 1880.

Work included existing condition drawings and a report outlining steps necessary to achieve their proposed project.

The Preservation Collaborative provides residential clients with alternative design choices to meet and accept modern amenities. Our creative team will balance your needs with visual and physical comfort.
