Your Project, Our Role...

A private residential client contacted us about renovating and expanding their existing front porch to a new wrap around design.

Work consisted of maintaining existing style, expanding existing porch and providing details.

The final design created a seamless transition between original and new, while affording the homeowner with a greater protection from the elements.

The Preservation Collaborative provides residential clients with alternative design choices to meet and accept modern amenities. Our creative team will balance your needs with visual and physical comfort.

Let the Preservation Collaborative design your dream home or addition today!
